About Me

Hi! I'm Gretchen Oates, and I'm the new librarian at Frost! Some of you may know me or recognize my name; I was the librarian at Kamiakin Middle School for the past six years.

I have really enjoyed meeting your amazing kids and am excited to be working with them!

If you have any questions, please email me at goates@lwsd.org.

The library is looking for volunteers on Tuesdays between 2:40-3:45 (during Kindergarten time).</p> <p>You do not need to be experienced with helping in the library! Common tasks include shelving, assisting students with projects, checking in books, and more.</p> <p>Sign up here and be sure to have your volunteer application on file with the district. I appreciate your willingness to help!</p>	<p style="text-align: center;">Book Suggestions</p> <p>Do you have a book that you think our students would love? Or would work great for a read aloud? Or is one of your favorites? I always appreciate book suggestions!</p> <p>I will also be putting out a "Book Wish List" notebook so kids can suggest books that the library should buy.</p> <p>We always appreciate donations! The Frost Library Wish List can be found at Amazon through this link.</p>
<p style="text-align: center;">Book Fair</p> <p>The book fair will run 11/27-30. As the dates don't coincide with conferences, we will be doing a reading kickoff night. Kristianne Zak will be coordinating volunteers through the PTA. More info to come.</p>	<p style="text-align: center;">Reader of the Month</p> <p>You may have noticed that the glass case outside the library contains a little about me as well as some of my favorite books. The display will be changing every month to highlight a different staff member. Be sure to check it out!</p>

Washington Children's Choice Picture Book Award

I will be using these as read alouds for the primary grades. Students will vote for their favorite book in spring.

Battle of the Books

Battle of the Books will be starting in October for the 4th & 5th graders.
