PTSA Giving Campaign

Did you know that we have a goal thermometer in the lobby? Watch it go up as we receive more and more donations this month. Every dollar counts!

This week, we’re happy to report that we have a 3-way tie between kindergarten, 2nd grade and 5th grade!

If you don’t want to deal with paper, you can easily donate on our website with any credit card. Please go to www.frostptsa.org, click on the Donate to Frost PTSA button on the right hand side and you’ll be taken to PayPal to donate. Be sure to enter your child(ren)’s name(s) and their teachers in the notes field. And, please don’t forget to ask employers if they will match your donation as many companies do.

Have a great week!!”
