

PTSA GIVING CAMPAIGN

Big thanks to our entire Frost community, for contributing the PTSA Giving Campaign! You helped raise **more than \$4,300** for our Frost kids, which will help fund the many programs and events supported by our PTSA this year.

Congrats to our Kindergartners, who won the grade level competition by getting the most number of donations. They will be rewarded with a well-earned ice cream party!

We want to thank our entire student body for participating in our successful October fundraising campaign. Well done! Even though our competition has ended, you can still donate to PTSA! Please go to www.frostptsa.org, click on the 'Donate to Frost PTSA' button on the right side of the page, and you'll be taken to PayPal to donate. Or, feel free to write a check or pay cash to FROST PTSA anytime.
