THANK YOU FROM PTSA STAFF APPRECIATION TEAM

Frost families,

Thank you to all the many, many parents and families who donated snacks and prepared food for last week's snack cart during the teacher conferences. Also a huge thank you to Daniela Miclea, Shelby Wiegand ("Mrs. W") and Michelle Muongmany and their kiddos for helping us pass out the snacks!

All the staff and teachers remarked how much they love receiving all the yummy treats during their big week. They felt your love and appreciation! Thank you so much for taking time out of your busy schedule to show our Frost staff how wonderful we think they are. Here's a picture of how your treats were delivered to all the classrooms:

With gratitude,
PTSA Staff Appreciation Team

FAMILY ACCESS: ONLINE TOOL FOR PARENTS

We appreciate the opportunity to meet with families twice a year for parent-teacher conferences to review student goals and progress. Parents can also monitor student progress throughout the year by checking the online gradebook via [Skyward Family Access](#). [Family Access](#) is an online tool available to all LWSD parents, accessible on your computer using a web browser. In addition to the online gradebook, parents can also find current attendance, student information and academic history, state test scores, and health information. There is also a mobile app version with much of the same information. Using Family Access to keep track of your child's progress is a great way to stay informed throughout the year.

For more information about how to connect to Family Access and other online tools for parents, please check out the LWSD [For Students and Families](#) website page or download the online [Guide to Parent Logins](#).

MID-WINTER BREAK STARTS NEXT WEEK

February 13, 14 & 17 - School is closed for Mid-Winter Break
