## FROST PTSA SPRING AUCTION

Mark your calendars and help us make the Robert Frost Elementary PTSA Spring Auction on May 3rd our most successful fundraising event of the year! Our Derby-themed celebration will feature a silent auction, live auction featuring original art from our Frost students and more!

Every dollar raised from the Auction will go directly to Frost students. In 2018 PTSA's funds raised went to support art docent programs, grants for field trips, learning materials, science enrichment and programs that help involve families at Frost Elementary. The money raised will go directly into the classrooms, the school and our community.

- Donations of goods, services and experiences are being accepted here:

Please join the Frost community next Tuesday, March 12 at the Totem Lake Chipotle from 4-8 p.m. One third of their profits that night will go directly to our PTSA to support Frost kids! Please bring in a flyer, which is being sent by separate email, show it on your phone or just tell the cashier that you are there to support Frost (online orders will not count towards fundraiser).
