

PICKING UP YOUR STUDENT'S SUPPLIES - THURSDAY, MAY 21

Parents, on Thursday, May 21st, we will be handing out student supplies that have been left over in classrooms. We are asking that you come to the school and drive through the regular drop-off / pick-up loop at the following times, and we will bring your child/ren's belongings to you. We've provided a two hour window for your convenience:

If your last name ends with:

A - H: 9:00 – 11:00

I – O: 11:00 – 1:00

P – Z: 1:00 – 3:00

Please pull forward in the loop, do not pass any cars in front of you, and stay in your car to ensure social distancing guidelines. To make it easier, if you could create a sign with your last name and place it above the right side of your dash, we will be able to get supplies to you more quickly! If you have any library books that need to be turned in, please bring them to the school on the 21st as well and we will collect them. And if you have any lost and found items you think need to be collected, they will be available on this day too.

Thank you for your understanding, patience, and cooperation during this time. We wish supplies were going home on the last day of school in your child/ren's hands, but obviously that can't happen. We look forward to seeing you on Thursday of next week.

Padres y guardianes, jueves el 21 de mayo, repartiremos las cosas de estudiantes que han quedado en las aulas. Le pedimos que venga a la escuela y conduzca a través de la rotonda en los siguientes horarios, y le llevaremos la pertenencia de sus hijos. Hemos proporcionado una ventana de dos horas para su conveniencia:

Si su apellido termina con:

A - H: 9:00 – 11:00

I – O: 11:00 – 1:00

P – Z: 1:00 – 3:00

Por favor, tire hacia adelante en la rotonda, no pase ningún carro delante de usted, y quédese en su carro para asegurar las pautas de distanciamiento social. Para que sea más fácil, si usted podría crear un signo con su apellido y colocarlo por encima del lado derecho de su tablero, vamos a ser capaces de conseguir sus cosas más rápidamente! Si usted tiene algún libro de la biblioteca que necesita ser entregado, por favor tráigalos a la escuela el 21 también y los recogeremos. Y si usted tiene cualquier objeto perdido en la escuela que usted piensa que necesita ser recogido, estarán disponibles en este día también.

Gracias por su comprensión, paciencia y cooperación durante este tiempo. Deseamos que las cosas se fueran a casa el último día de escuela en las manos de sus hijos, pero obviamente eso no puede suceder. Esperamos verlo el jueves de la próxima semana.

OPTIONAL PARENT INPUT FORM

Parents who wish to provide information about their child for consideration in next year's classroom placement may complete this [optional online input form](#) by Friday, May 22nd.

Each Spring, LWSD schools receive a staffing allocation from the district based upon next year's enrollment. Our staffing allocation then determines the number and size of classrooms we will have at each grade level. As a result, some teaching assignments may change for next year.

Our staff works very hard to thoughtfully place students into classes for the next school year. Our classrooms are heterogeneous in their make-up, meaning that each class has students with a wide variety of talents, abilities and interests. When creating classes, we consider multiple factors, including student performance, social relationships, input from current teachers and staff members, and optional input from parents. While we begin this process each spring, student classroom assignments are not finalized until the fall due to fluctuating enrollment.

Please note that this is not a teacher request form. We are not able to accept or honor parent requests for a particular teacher for your child. Through the years, our students will have the opportunity to experience many different teachers and various teaching styles. These experiences help children grow and to become successful learners in many different environments. Requests for specific teachers will not be considered.

In years past interested families have submitted a print form, but this year all parent input will be managed online due to the school closure. To be considered in the placement process, completed forms must be submitted online by Friday, May 22, 2020.
