The online store is open until September 30. Flyers and a few samples will be available at the Ice Cream Social Thursday, September 12.

CURRICULUM NIGHT THURSDAY, SEPTEMBER 19

Curriculum Night is Thursday, September 19th, 6:00-8:00 p.m. This is a time for parents to learn more about instructional programs and classroom procedures. Presentations in K-2 classrooms will begin at 6:00, followed by a presentation for all families in 6:50 in the Commons. Presentations in 3-5 classrooms will begin at 7:10. Our hope is that this will help families support their students' success as they transition into new classrooms. We will have Spanish and Portuguese interpreters available. This event is for parents only, and limited childcare may be available.
