## PARENT CURRICULUM NIGHT

Curriculum Night is Thursday, September 20<sup>th</sup>, 6:00-8:00 p.m. This is a time for parents to learn more about instructional programs and classroom procedures. Presentations in K-2 classrooms will begin at 6:00, followed by a presentation for all families in 6:50 in the Commons. Presentations in 3-5 classrooms will begin at 7:10. Our hope is that this will help families support their students' success as they transition into new classrooms. We will have Spanish and Portuguese interpreters available. This event is for parents only, and limited childcare may be available.

## PARENT - TEACHER - STUDENT GOAL SETTING CONFERENCES

Families will also have a chance to meet with teachers to discuss individual student goals and progress during conferences scheduled October 15, 16 and 18. Students are dismissed at 12:20 on these conference days.
